### From the Editor

This chicanery is not, in the final analysis, about Donald Trump. His *apparently* anti-globalist campaign has, merely, forced the dirty tricks of the globalist Establishment out into the light to a greater extent. I have been talking about this dirty business, which the DNC and the RNC, as well as their actual (big donor) bosses and Big Media allies, engage in, for many years. Remember these people and their private “clubs” benefit from our taxes (such as paying for the Democratic and Republican national

conventions), as well as from self-serving legislation that the D.C. politics enact into “law” -- for more than most citizens can, even, imagine.

If you consume, much less, believe the scripted “news” and “truth” presented by the paid propagandizing actors in the media -- including the FOX frauds -- you need to wake up! You are, still, a recipient of massive mind control and erroneous thought formation. You may believe that you are an independent thinker, but if you are, still, a Big Media (BM) believer, you are deceived. You are being inculcated with the subtle and not-so-subtle malarkey of “thought leaders”, who are *NOT* your friends or allies.

Again, for many years I (as well as others) have been sounding the alarm about the thorough going corruption of the current political Duopoly, including both of its two (mutually dependent) factions -- the globalist Establishment owned-

and-operated private clubs known as “the Democratic Party” and “the Republican Party”. Now, more and more of their vile garbage is being exposed, almost, every week -- including the fact they do not respect the voting public. Both the **Gang Of Phonies** and the Democratic (Socialist) Party are irredeemably corrupt and, at some points, manifestly anti-American. Wise up, America; leave and reject the whole Duopoly, once and for all. Then, check out the Christian Party at [www.christianpartyonline.com](http://www.christianpartyonline.com).

Ultimately, Ladies and Gentlemen, the “power classes” are not worried so much about Trump or any other individual rival to their power Duopoly (a monopoly composed of two parts). It’s the millions of supporters of anyone who challenges them that they oppose and seek to quash. Ultimately, it is *We the People*, who they hate, fear, resist, and constantly work to deceive. Occasional challenges by a few candidates who take up the fight against globalism and the globalists do not frighten the Establishment nearly as much as an informed, enlightened, and mobilized patriot citizenry. Those who faithfully and with good understanding take up the Cross of Christ are the people who the self-supposed, self-anointed “elites” fear most of all. If we organize around the correct principles -- *and become committed and active* -- we will represent a huge threat to the power of the top/down control structure of the so-called “New World Order”.

Again, ultimately the target of the NWO Establishment is not Donald Trump -- and certainly none of their own puppets, e.g., Obama, Clinton, Cruz, and Kasich. ***Since they cannot, really, attack God, their target - - their enemy -- is you and me.***

**Clell Drumheller**

*This is what Fox News Channel had to say about Ted Cruz' eligibility in 2013. Now, why might Fox is silent on the matter, now? Also, why has there been such a push to conceal, as well as distort, the actual, original meaning of the term "natural born citizen"? Hmm...*

*Note: For the past few years various courts (and other entities) have been "ruling" on the eligibility of various Presidential candidates. A more basic issue is the illegitimacy of the overreaching, renegade, Constitution and its background ignoring, activist judges and courts. How can anyone reasonably trust the pronouncements of these out-of-control, corrupt institutions? These courts are as inconsistent, erratic, and temperamental as a radical feminist experiencing PMS.*

*Now, recall the fact that this Republican was once the Speaker of the US House of Representatives. This conviction is very much an exception to the rule. Average Americans are coerced by ruthless and lawless governmental officials to obey more and more oppressive "laws" from which, of course, they generally exempt themselves and their rich overlords. Currently, the rule of law is on life-support in the USA. By the way, the two powerful wings of the criminal political cartel that represent the interests of the "elite ruling" classes have a horrible record (both past and present) of multifarious crimes -- much worse than the general population. Most of these heinous crimes go and have gone unpunished. Two examples of this fact are Bill and Hillary Clinton.*

## **The Christian Party of America's Full Member Pledge**

I affirm, acknowledge, understand, and accept that as a Full Member (having internal rights in the Christian Party of America [hence, CPA] to vote in CPA matters, to seek and hold Party office, and to stand for political candidacy on the Party's ticket) of the CPA, I must and do affirm my belief in:

1. The Holy Bible composed of the Old and New Testaments in their original text (which is inerrant), is the one, only, and complete body of Holy Scriptures. The Holy Scriptures are inspired by God, the Holy Spirit. 2. The one and only God is the God revealed in the Bible as Father, Son, and Holy Spirit (the Holy Trinity) and in the perfect, sinless

God-Man, Jesus of Nazareth. Jesus is God, the Son, and the only-begotten Son of God, as well as the Son of Man and the Christ. His human body was conceived by the Holy

Spirit in Mary's womb and He is virgin-born. Also, He is God from everlasting to everlasting. Further, during His First Advent, the Lord Jesus Christ manifested his Divine authority and power by performing miracles that, only, God can perform. 3. Salvation is only received by God's grace through acceptance of Christ Jesus as Lord and Savior,

Who died on the Cross for our sins and rose from the dead, overcoming sin, death, and Hell. He ascended into Heaven and lives forever to make intercession for His own. The Lord Jesus Christ will physically return to earth in His Second Coming. 4. Jesus Christ will judge the living and the dead – His saints (for rewards, having eternal, blissful life)

and the lost (for punishments in eternal damnation). He will, also, judge the nations. 5. God is love and desires for lost sinners (that is, everyone who has not placed "saving" faith in Jesus Christ) to repent (experience a "change of heart") and turn to Christ (that is, trust in Christ for salvation).

Also, I affirm that I have placed my personal faith in the Lord Jesus Christ (cited in this pledge) alone for salvation from my sins and, thus, have eternal life in Him. Further, I affirm my belief that God is the Source of all true liberty and that I embrace the principles of true liberty.

Finally, I affirm that I am not a member of or under the influence of any secret and/or semi-secret organization(s) and/or other association(s) that favor(s) transnational

government other than that which the Lord Jesus Christ will visibly establish on earth upon His manifest return from Heaven, or that disagrees with any of the aforementioned truths.

*The aforementioned represents core values of the CPA, which cannot be repealed or altered.*

I certify this, my pledge, this \_\_\_\_\_ day of \_\_\_\_\_, in the year of our Lord \_\_\_\_\_ by affixing my own true signature \_\_\_\_\_ of my own free will and with the full knowledge and understanding of my action of so doing.

***Jesus is Lord. We will have no king, but King Jesus!***
